LETTER FROM YOUR PARENTS

Lindy

DEAR,

We just want to let you know that we are proud of you in these challenging times. It's not easy to stay at home for a long period, without school, friends, trips to the park or do some shopping.

You are managing your day to day life with homework, exercises, playing around the house and drawing.

Although there are times that you get bored, you are doing great

LETTER TO MYSELF

Me

DEAR,

I really miss my teachers, partners, friends,bffs and especially Alicia. I hope your doing ok and being healthy. It feels weird being homeschooled but its still ok. I am anxious to go to school and seeing my friends. I miss playing outside with my friends because its been 43 days. I try things to entertain myself. My birthday is not so good cause of the corona virus. I like calling Alicia on messenger and I hope we can meet each other.

LOVE, Zimoly
